

A photograph of Barack Obama sitting on a brick wall, looking upwards and to the right. He is wearing a white button-down shirt and dark trousers. The background is a brick wall with a metal railing on the left side. The lighting is dramatic, with strong shadows.

“ORDINARY PEOPLE CAN DO
EXTRAORDINARY THINGS

SO LONG AS
THEY ARE

ORGANIZED

SO LONG AS
THEY ARE

MOBILIZED

SO LONG AS
THEY ARE

UNIONIZED”

CHOICE WE CAN BELIEVE IN

When it comes to life at work, **BARACK OBAMA** knows about the importance of **CHOICE**. In 2007, in addition to the quote on the front of this card, he said:

"We need to strengthen unions by letting them do what they do best—**organize workers**. If a majority of workers want a union, they should get a union. **It's that simple.**"

CHOICE is about having a say on the issues affecting you at work. **CHOICE** is about whether you want to be recognized for the work you do. **CHOICE** is about whether you want to have the same rights and entitlements as other workers at Ryerson University.

Ryerson part-time workers and work-study students deserve a choice at work. **By signing an OPSEU card, you can help trigger a vote on whether you want a union—a voice—in your work place.** A voice that will make the work place even better, both for you and part-timers to come.

Give yourself the chance to vote—and the right to a **CHOICE**.
